

### HIGH EDUCATIONAL STANDARDS

Because our curriculum is IEB-aligned, the content and assessment are adapted to focus on problem solving, and critical and creative thinking.

### ONLINE SUPPORT AND CLASSES

Work schedules, academic resources and interactive classes are provided online throughout the year.

### GUIDANCE FOR PARENT/GUARDIAN

General training for parents, as well as clear guidelines in lessons and resources to help with facilitating their child's learning.

### STUDY MATERIAL AND TEACHER'S GUIDES

Study material and teacher's guides (where applicable) are provided electronically via the Brainline eReader. (Some books only in hardcopy.)

### ONLINE LEARNING PLATFORM

Track your child's progress, and access reports, individualised assessment feedback, and regular communication with subject specialists.

### OBTAIN A VALID REPORT

Your child will receive a valid progress report after each assessment cycle.

## THE BRAINLINE SYLLABUS

The Independent Examination Board (IEB) sees education as learning that must be innovative, have integrity, and be internationally comparable. Brainline is registered with the IEB and therefore uses a curriculum that complies with the statutory requirements of the CAPS curriculum while adapting the content and assessment to focus on problem solving, and critical and creative thinking rather than rote learning. This ensures a high educational standard, preparing learners for the academic demands of high school.

## ACADEMIC SUPPORT

Subject assessment programmes, guidelines, and work schedules that allow students to plan their academic schedule.

Unique, dynamic and innovative resources are continuously developed by subject specialists.

Regular interactive online classes presented by qualified teachers.

Access to our Academic Team comprised of experienced, qualified teachers.

## ASSESSMENT

HOW DOES IT WORK?

Assessment items include tasks, oral assignments, tests and examinations.

Assessments are made available, downloaded and uploaded on our online platform.

All assessments are completed according to a fixed schedule that is available online from the beginning of the year.

Tests and examinations are accessed via a unique password issued on the day of assessment.

Tasks are marked by the parent/guardian according to the marking guidelines provided (excluding Grade 6, which is marked by Brainline).

Test and examination (formal assessments) are marked by qualified subject specialists.

Completing formal assessments under the supervision of an independent invigilator who the learner registers with Brainline is recommended.

## HOW DO I ENROL?
