

COMPLIANT CURRICULUM

The curriculum, developed in-house by Brainline, is based on the CAPS curriculum and complies with legal requirements.

FLEXIBLE PROGRAMME

Begin when you want, complete at your own pace and in any order you want throughout the year.

PLAY AND LEARN

A wide range of topics are explored in a fun and interactive way, using household items.

ABC AND 123

The complete alphabet and number set is taught throughout the programme, with specific literacy and numeracy outcomes.

DEVELOPMENT OF ESSENTIAL SKILLS

Play activities to develop the fine and gross motor skills that your child must master.

CERTIFICATE OF COMPLETION

A certificate of completion is provided on request.

THE BRAINLINE SYLLABUS

Brainline has developed our own Grade R programme (curriculum) based on the CAPS requirements of the Department of Basic Education, while allowing you as parent/guardian flexibility. An integrated approach that focusses on learning through play and fun activities. Our programme comprises a combination of a Home Language, First Additional Language, Mathematics, and Life Skills, which are addressed holistically with a theme-based approach.
