THE BRAINLINE SYLLABUS

Brainline is registered with the IEB and therefore uses an IEB-aligned curriculum – complying with the statutory requirements of the CAPS curriculum while adapting the content and assessment to focus on problem solving, and critical and creative thinking rather than rote learning. This ensures a high educational standard and is comparable to accredited international curricula, preparing learners for the real demands of the post-school environment.

OVER 22 SUBJECTS TO CHOOSE FROM

ACADEMIC SUPPORT

Work schedules that allow a student to plan their own academic schedule.

Dynamic and innovative resources, supporting learner needs.

Daily, interactive online classes presented by qualified teachers.

Dedicated support from our academic team.

ASSESSMENT

HOW DOES IT WORK?

Assessments include tasks, oral assignments, tests and examinations, and may include practical tasks (PATs) and practical examinations.

Assessments are made available on our online learning platform.

All assessments are completed according to a fixed schedule.

Marking of all assessments by qualified subject specialists is included in the product price.

Comprehensive feedback is given on assessments, and is complemented by teacher discussions.

Formal assessments are completed under invigilation, except for the preliminary exam, which is written via Zoom invigilation (compulsory).

IEB NSC examinations in October/November are written at a Brainline examination centre.

International candidates require a study permit and must write the IEB National Senior Certificate at a designated Brainline examination centre in South Africa.

How to enrol online

Please expect a possible delay in this turn-around time during peak time (January to February of the academic year).

3-step enrolment process

1 Enrol online

Go to www.mybrainline.com and enrol for the desired grade and product.

2 Microsoft 365 Student Account

A Microsoft 365 Student account is created for each student enrolled. This account is activated within 24 hours upon approval of the enrolment.

3 Download booklist

[Click here](#) to download the list of prescribed and recommend books for Grade 4-12.
Note: The Brainline Grade R-3 digital books can only be bought from Snapplify.com or as hardcopies through [Credobooks](http://Credobooks.com).

Purchasing your books

Option 1: Digital books on the Snapplify Reader

1. Once your enrolment is approved and your Microsoft 365 Student account has been activated, [click here](#) to go to Snapplify.
2. Sign in with Microsoft using the login details that you received in your Brainline welcome email.
3. Purchase each book as required.
4. Go to www.getsnapplify.com and select your device type. Download the application/installer and install it on your device.
5. Open the application and log in with your Microsoft username and password.
6. In the application, you will see the items you have purchased available for download. Download the books to access your study material.

Option 2: Hardcopy books from CredoBooks

1. Credo Books is Brainline's preferred supplier of hard copy books for our clients.
2. [Click here](#) to order hard copies of your study material.

Option 3: Hardcopy books from Protea Books

1. Use Protea Books as an alternative supplier for hard copy books.
2. [Click here](#) to visit their website.

Note: Protea does not supply Grade R-3 books.

Please note: To purchase digital books from Snapplify, your enrolment with us must first be approved so that we can create a Microsoft account for the learner to login with. This will allow the Brainline student to choose from a list of prescribed books and to integrate these purchased books to Brainline Cloud School.
